

NAID Entry #: 201944993 for 5 subseries

Series: Student Case Files (General)

Record Entry ID: SE-2447

Series Size: 7 linear feet, 5 linear inches

Types of Materials: Correspondence, applications, medical reports, artwork, newspaper clippings, photographs

Beginning Location: 05/48/12/01 918462

End Location: 05/48/13/01 918468

Container Numbers: 1-15 (LTA-1=15)

Old Series or Accession/Container Numbers: Accession # 075-75A1581 previously undescribed FRC boxes 52547-52553. The 1973 student case files (boxes 16-18) accession #075-74-A0440.

Arrangement: Arranged alphabetically by student name.

Scope & Content: These records include correspondence and reports regarding scholarships, school attendance, behavior issues, grades, achievements, family histories, and home visits. On occasion, students submitted artwork (original, photocopies, or photographs of) with an application, and files containing artwork are marked with an asterisk (*). Some files include photographs of the student.

Access Restrictions: Restricted due to protected personal information of living individuals.

Note: Many files contain information about other students within correspondence; files should be screened to protect the privacy of individuals. Additionally, many preservation copies were made of Thermofaxes and other degrading records – every attempt was made to make legible copies and in rare cases, the original was retained in Mylar to aid in reading and to show the condition of the original.
