GENERAL INSTRUCTIONS

This report is for all schools—boarding, day, Government, or contract except public schools. It must be prepared and forwarded to the Indian Office IMMEDIATELY after the close of each year. A duplicate will be retained at the school or agency.

The names of all boys must be grouped at the beginning of the report in alphabetical order, and then followed by the girls similarly grouped. The information called for under each heading must be supplied in every case. If for any exhibit there is nothing to report, the word "None" should be substituted.

The principal of each school must prepare this report and sign the "Teacher's Certificate." During vacation or temporary suspension of a school, reports must be made stating the fact. Whenever required the physician's certificate must be executed.

The superintendent must carefully examine this report and see that it is a correct statement of pupils and attendance, and forward ONE copy to the Commissioner of Indian Affairs.

*The names of pupils dropped from the rolls during the year must be entered here in alphabetical order, grouped separately by sexes. The names of all pupils here recorded must also appear on the preceding pages, in their proper places, in order that the school may receive credit for the number of days they were in attendance.

If a pupil is withdrawn and returns during the same quarter the name should not be included, as he is not considered "dropped." Pupils who remain at the school during vacation and leave before the session actually opens should not be included. Make a separate report for such vacation pupils.

RECAPITULATION.

(See Special Instructions Below.)

1. Number of days school was in session 271
 2. Total number of pupils retained from last year 307
 3. New pupils enrolled this year 151
 4. Total enrollment of different pupils to date: Boys 172, Girls 186, Total 358
 5. Pupils dropped from rolls (*Including closing week Jashed*) 82
 6. Number previously withdrawn pupils returned 0
 7. Present enrollment (should correspond to line 4 minus difference between lines 5 and 6) 276
 8. Average attendance for year (total days attendance divided by number of days school is in session): Boys 150.8, Girls 174.5, Total 325.1
- * The June report should give the correct average attendance for the entire year.

SPECIAL INSTRUCTIONS.

1. The number of days school is in session corresponds in boarding schools to the number of days from the authorized opening day in September until the authorized closing day at the end of the school year. In day schools the number corresponds to the number of days in the school year less Saturdays, Sundays, and authorized holidays.
2. Prepare a separate report for any full-blood white pupils attending the school.
