Mr. T. B. Hall,

JUL 11 1934

Butler

Supt., Leupp Agency.

My dear Mr. Hall:

Your report of attendance for the Leupp boarding school for the year ended June 1 is returned herewith.

It is noted that you have figured an average attendance of 503 children, whereas the enrollment was only 377. It appears that you have used the number of school days, whereas in boarding schools the total number of days from the opening of school until the close of school should be used. Will you please have the report corrected and returned for our files?

Sincerely yours,

(Signed) John Collier

*The names of pupils dropped from the rolls during the year must be entered here in alphabetical order, grouped separately by sexes. The names of all pupils here recorded must also appear on the preceding pages, in their proper places, in order that the school may receive credit for the number of days they were in attendance.

If a pupil is withdrawn and returns during the same quarter the name should not be included, as he is not considered "dropped." Pupils who remain at the school during vacation and leave before the session actually opens should not be included. Make a separate report for such vacation pupils.
